That affiant has probable cause to believe and he does believe that there is now in the possession of:

The Yavapai County Sheriff's Office; Evidence Item #6268 under YCSO DR# 08-029129.

certain property or things:

- [] which were stolen or embezzled
- [] were used as a means of committing a public offense
- [] are being possessed with the intent to use them as a means of committing a public offense
- [] are in the possession of _____ to whom it was delivered for the purpose of concealing it or preventing it being discovered
- [X] consist of some items or constitute some evidence which tends to show that a particular person has committed a public offense

That said property or things are described as follows:

- 1. SAMSUNG FLIP PHONE, BLUE IN COLOR. THE PHONE HAS THE VERIZON LOGO ON THE HEADSET. THE PHONE HAS AN ESN OF HEX A10000007716.**
- 2. The examination of all contents from the above including but not limited to the forensic examination of the contents/data of the phone as well as forensic examination of trace evidence that may be on the phone including but not limited to DNA and fingerprint examination.**

That the following facts establish probable cause for believing that grounds for the issuance of a search warrant for the aforementioned items exist:

Your affiant, Douglas D. Brown, is a certified peace officer in the State of Arizona, employed by the Yavapai County Sheriff's Office at the rank of Deputy. Your affiant has been involved in this investigation since 7/2/08.

Steven C DeMocker has been indicted and is in jail for the murder of his ex-wife Virginia "Carol" Kennedy. The homicide took place on 07/02/2008 in unincorporated Yavapai County.

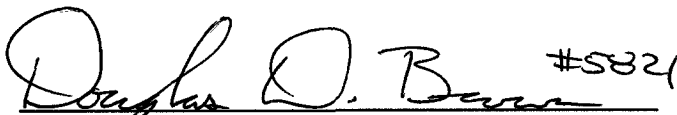

On 04/09/10 Renee Girard, an associate of Steven DeMocker, was interviewed by Detectives with the Yavapai County Sheriff's Office and the Yavapai County Attorney's Office. Your Affiant monitored the interview. Renee Girard advised Detectives that Mr. DeMocker hid a gym type bag off of a trail at the Hassayamapa Golf Course. Renee Girard explained that the bag was hidden sometime in July 2008 or August 2008 and that it was hidden for the purpose of Mr DeMocker fleeing. Renee Girard stated she was present when Mr DeMocker hid the bag. She advised the Mr DeMocker told her that the bag contained clothes and possibly money. She was unsure of other items possibly in the bag. Following the interview, Renee Girard took Detectives to the Hassayamapa Golf Course near the 8th tee. A bag was found hidden amongst rocks just off the foot trail that runs throughout the golf course. It should be noted that Mr. DeMocker owned a townhome in Hassayampa along the golf course at the time.

The bag is described as a blue "dry bag" which had the name Democker written in black marker on the bag's surface. Items found in the bag included: clothes, shoes, hats, a flashlight and a cell phone which was inside a plastic Ziploc bag. The cell phone is described as a blue colored Samsung flip phone with the Verizon logo on the headset.

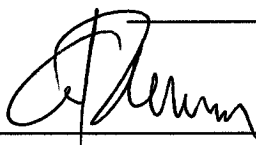

This cell phone may contain contact/subscriber information and/or call history data which may be related to the homicide and/or evidence to show the intent to flee. The cell phone number and susbcriber information is not known at this time.

The bag and it's contents were seized on 4/9/10 and submitted into the Yavapai County Sheriff's Office evidence storage. The cell phone is listed as evidence item #6268 in YCSO DR# 08-029129.

The search warrant is incorporated by reference.
